

# Outdoor Spring Cleaning Checklist

## Garden Space

- Clean up any trash, weeds or dead foliage
- Inventory plants and decide what needs to be replaced
- Trim bushes and plants that would benefit from it
- Cut and divide perennials
- Add more/new fresh soil and mulch
- Clean and/or replace garden tools

## Patio

- Power-wash your patio or deck, and clean to remove grime, pollen, fungus and/or mildew
- Reseal, paint, and/or stain deck if needed
- Wash patio furniture
- Clean the grill

## Other Backyard Areas

- Check and replace pool filters
- Wash windows
- Hang up screens on windows and patch any holes
- Re-seed spotty grass areas
- Fertilize your lawn
- Check that your lawn mower doesn't need maintenance
- Check your hoses for cracks and leaks
- Clean out the gutters
- Clean and organize the garage and shed
- Check your driveway and sidewalks for any needed repair
